Gammon E&M Wins HK\$491 Million Building Services Contracts for Shatin to Central Link

(Hong Kong, 12 June 2014) Gammon E&M Limited has recently been awarded two contracts by MTR Corporation for their Shatin to Central Link Project in Hong Kong, with a total value of HK\$491 million.

The scope of work for Contract 1164 includes building services for Diamond Hill Station, while Contract 1165 conducts building services for Hin Keng Station, Ma Chai Hang Ventilation Building and Fung Tak Emergency Access.

Both projects are expected to be completed in 2018.

Kevin O'Brien, Director of Gammon's E&M business commented: "I am pleased that we are in a position to continue our long standing relationship with MTR Corporation and help to deliver further extensions to Hong Kong's world class railway infrastructure".
