Jardine Matheson Condemns Violence; Calls For Restoration of Peace and Order

15 August 2019 – As a Group with deep roots in Hong Kong, Jardine Matheson has been deeply saddened and concerned by recent developments.

We condemn the recent violence. This has seriously threatened the wellbeing of our community, and has taken a significant toll on the whole of Hong Kong and its international standing. We strongly support the Hong Kong SAR Government, the Chief Executive, and the Police in their efforts to restore law and order for the greater good of the Hong Kong people. The rule of law and the 'One Country, Two Systems' principle enshrined in the Basic Law are fundamental to the strength and stability of Hong Kong.

To move forward the violence has to end. Hong Kong's community should work together to restore the confidence of this great city and ensure the wellbeing and harmony of all its people.
