Ho Chi Minh City, 20th June 2018 – Inaugurating Schindler Vietnam's 20-year anniversary, the opening event and showroom symbolizes Schindler's continuous commitment and development of the elevator and escalator sector in Vietnam. The showroom further supports Schindler Vietnam's target of being the region's leading elevator and escalator provider.

Located in Ho Chi Minh City, the showroom completes the Jardine Schindler Training Centre, which is the first elevator and escalator professional training centre in Vietnam. Giving customers the opportunity to experience first-hand the latest in Schindler products, the showroom is designed to be a centre for Schindler and its' partners to discuss vertical solutions and their new projects. Offering a wide range of design features and fixtures, the showroom also includes the latest innovations in vertical transportation, such as the Schindler Personal Occupant Requirement Terminal (PORT) Technology, a destination control system.

While being conveniently located in the Jardine Schindler Training Centre, customers can visit the facility to understand the comprehensive and professional training involved in ensuring Schindler's products and services are safe and reliable. With 16 Schindler certified trainers, the facility delivers up to 700 courses to more than 2,800 technicians, supervisors, project managers, contractors and apprentices, each year.

Ta Huy Vu, General Director of Schindler Vietnam, describes the showroom as a key communication platform in connecting with customers and is a place where customers have the opportunity for hands-on experience with the products while consulting with Schindler's experts to choose the best vertical solutions for their projects.

"The Schindler Showroom is a symbol for the long-term commitment of Schindler in Vietnam, professing to the ambition to deeply understand Vietnamese customers' demand and bring them satisfaction," said Phan Thanh Duc, Sales Director of Schindler Vietnam.
