MANDARIN ORIENTAL TO OPEN LUXURY HOTEL IN CAIRO, EGYPT

Hong Kong, 22 March 2022 -- [Mandarin Oriental Hotel Group](#) has announced a management agreement to rebrand the historic Shepherd Hotel in Cairo, Egypt. This will be the Group's first hotel in Egypt and further expands the brand's portfolio in the region.

The celebrated Shepherd Hotel first opened its doors in 1841 and remains a landmark in the city, respected by the local community and well known internationally. A comprehensive renovation of the property is already underway and Paris-based interior designer, Sybille de Margerie, is tasked with preserving the building's heritage design while enhancing the facilities and services. Upon completion, currently anticipated for 2024, the hotel will re-open as Mandarin Oriental Shepherd, Cairo.

Situated on the eastern shore of The Nile river, in the heart of Downtown Cairo, the property will feature 188 rooms and 88 suites, many with balconies, providing excellent views over the city, the Nile and Gezira island. The hotel is ideally located to explore the city's renowned attractions such as the historical Egyptian Museum, Khan el-Khalili Souq and Al-Azhar Mosque, and provides easy access to the river, key commercial buildings, and vibrant shopping, restaurants and cafés.

Mandarin Oriental Shepherd, Cairo will feature five restaurants and bars, including a rooftop restaurant for al fresco dining, as well as an exclusive club lounge. The hotel will also offer expansive function spaces, including a rooftop ballroom, making this the ideal destination for conferences and social gatherings of all sizes.

An all-encompassing *Spa at Mandarin Oriental* will provide eight treatment suites and offer the tailored experiences and signature treatments for which the Group is renowned. Further wellness facilities include an indoor lap pool, a rooftop swimming pool, a beauty salon, fitness centre and a kid's club.
